

REDHILL HIGH SCHOOL IBDP Mathematics teacher

Commencement Date: January 2020

As a fully authorised International Baccalaureate (IB) School, Redhill is looking to appoint an IBDP Mathematics teacher, who is innovative and passionate about teaching Mathematics. The ideal candidates will be an experienced teacher, with a proven track record of being able to engage successfully with students. **Having IB experience and/or being prepared to receive the necessary category 2, IB training prior to starting is essential.**

The successful applicant will work in a progressive educational environment and will need to be a strong team player committed to the Redhill ethos of high academic expectations; furthermore, he/she will also need to embrace the school's teaching philosophy, which encourages critical thinking and creativity.

As a member of staff, the successful applicant will be expected to participate in, and contribute to the school's innovative Future Focus Programme, designed around Project Based Learning. The successful candidate will also be expected to be part of a Staff Learning Programme focused on sharing and improving teaching practice, and thereby assuring every student of a quality learning experience.

The Position:

- Help develop and maintain strategic and operational plans for innovation in education that encourages creativity, critical thinking and problem solving skills.
- Help design and implement programs and initiatives that further the integration and blending of educational technology.
- Help create a programme of study that embraces the diversity of students that attend Redhill School, providing the necessary support to those who might struggle as well as providing extension opportunities for the more talented.
- Help develop a culture of creative innovation to meet the dynamic and evolving needs of an excellent 21st century school, by being an inspirational teacher of best practices in innovation and experimentation.

Professional Qualifications and Personal Qualities:

Redhill School is looking for a candidate who has:

- An appropriate university degree and is registered with SACE.
- A strong set of teaching skills, and relevant professional training.
- An aptitude for innovative teaching methodologies and creative assessment design.
- Strong communication skills: written, verbal, presentation, and training.
- A collaborative, cooperative, and patient mind-set.

To apply for this exciting position, please forward a full Curriculum Vitae and a Motivation Letter, together with the names and telephone numbers of three referees, to fjeffers@redhill.co.za

Closing Date: FRIDAY 14 JUNE 2019

*If you have not heard from the School by **28 JUNE 2019**, please assume that your application has been unsuccessful. Redhill reserves the right to appoint someone earlier if a suitable candidate presents himself/herself. Redhill School reserves the right not to make an appointment.*
